## REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 7010

The SPEAKER pro tempore (Ms. ROSS). The gentleman's request is accepted.

## RECOGNIZING OHIO TUSKEGEE AIRMEN DAY

(Mrs. BEATTY asked and was given permission to address the House for 1 minute.)

Mrs. BEATTY. Madam Speaker, today marks the first annual Ohio Tuskegee Airmen Day celebration at the National Veterans Memorial and Museum in my district.

In March 1946, Tuskegee Airmen began to arrive at Lockbourne Army

Airfield, today known as Rickenbacker Air National Guard Base in Columbus. The airmen were under the leadership of Colonel Benjamin O. Davis, the first Black officer to command an Air Force base in the continental United States.

Their achievements during the war paved the way for full integration of the U.S. military, as pilots, navigators, and bombardiers. These brave, distinguished Black men received Purple Hearts, Silver Stars, and Bronze Stars.

They were fighting for our country and for us during a time they were denied access to the right to vote, housing in certain neighborhoods, and separate but not equal educational opportunities.

Please join me in recognizing these heroic Black men.

## PROTECTING AND EMPOWERING THE MODERN WORKER

(Mr. ALLEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ALLEN. Madam Speaker, I rise to highlight a bill I recently introduced with my good friend, Senator TIM SCOTT of South Carolina.

The Employee Rights Act of 2022 updates our labor policies to protect and empower the modern worker.

Democrats continue to push their out-of-touch, Big Labor wish list in the PRO Act, which tilts the scale toward nonelected union leaders, tramples employee rights, and preempts State right-to-work laws. Meanwhile, Republicans are focused on the worker of today and the future.

The Employee Rights Act guarantees that employees will have secret ballot union elections, ensures control over the disclosure of their personal information, keeps members' dues from being used for political purposes without their permission, and gives employees more flexibility to withdraw from a union if a majority of the employees agree.

This bill also codifies the common law definition of "employee" to protect gig economy workers and other independent contractors and once and for all clarifies the definition of "joint employer" so that franchisees, entrepreneurs, and anyone seeking flexible work options are not hamstrung into not running their own business.

As a businessman, I have experienced firsthand the consequences of Big Government overregulation, and I am thankful for the support of dozens of proworker and probusiness groups that support the Employee Rights Act of 2022.

## TELLING THE AMERICAN COVID-19 STORY

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, I rise to applaud two legislative initia-

tives that passed this week. One in particular was the COVID-19 American History Project Act.

With over almost a million Americans who died from COVID-19, the historic stories, the stories of tragedy and joy of the many hardworking medical professionals, like those in my particular congressional district, like Dr. Peter Hotez, who discovered an unbelievable vaccine that is now being used in developing nations, Dr. Joseph Varon, Dr. Joe Gathe, and many, many others; hospitals far and wide; nurses and medical professionals, who had to take care of people who were lying in hospital hallways; and families who lost one and two and three and four. We must tell the COVID-19 story.

It is an American story. We must tell of the heroes. We must tell of those we lost. We must say thank you.

But one thing we must do, as the chair of the bipartisan COVID-19 Task Force, we must never, never repeat this again. We must be prepared, and we should be ready to save lives. There is nothing wrong with testing and vaccinating.

## REMEMBERING JERRY MARSHALL GILL

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to recognize the life of a valued member of the Savannah community, Jerry Marshall Gill.

Jerry was born in Bogalusa, Louisiana, in 1931. He and his family moved to Savannah when he was at the young age of 5.

Once in Savannah, Jerry attended Commercial High School, where he stood out immediately as a gifted basketball player.

From Commercial High, Jerry proceeded to Armstrong Junior College before answering the call to join the United States Marine Corps. Jerry was called to Active Duty in 1950 and served in the Korean war.

Back home, he was a volunteer for the Georgia Affiliates Federal Credit Unions for over 42 years, where he received "Volunteer of the Year," the "Lifetime Achievement Award," and the "Credit Union House Hall of Leaders Award," which is displayed here in D.C. in the D.C. Credit Union House.

After retirement, Jerry worked with the Georgia Affiliates Credit Union for another 12 years.

Jerry's life of service was further demonstrated in his commitment to his fellow veterans. He volunteered with the USO and was a member of the Veterans Council League for many years.

We will all dearly miss Jerry, his wisdom, and his service.
